Description: “[A] startling and absorbing exposé . . . Required reading for fans of muckraking authors like Barbara Ehrenreich.”—Publishers Weekly, starred review“Exceptional . . . thorough, and even gut-wrenching. A significant contribution.”—American ProspectWhy Americans are fleeing our broken banking system in growing numbers, and how alternatives are rushing...

Review: The Unbanking of America is better than a treatise on US consumer financial services has any right to be. Author Lisa Servon, a university professor, has dedicated a large part of her life to this book, exploring “unbanked” America from every possible aspect: the data (which she found inadequate), the literature (often straight from the author, such...
